The Metropolitan Library System is composed of 12 large, full-service libraries located conveniently throughout Oklahoma County, and five smaller extension libraries, four of which are located in the eastern part of the county in the cities of Harrah, Jones, Luther, and Nicoma Park.

Our primary service area is Oklahoma County and our primary customers are its citizens. For us, that includes anyone who lives or attends school in Oklahoma County, or who owns property here. We also have a reciprocal borrowing arrangement with the neighboring Pioneer Library System, which includes libraries in Cleveland, McClain and Pottawatomie Counties. Citizens of those counties, as well as people who attend school in Blanchard, and who carry a valid Pioneer Library borrower's card, can also check out material from our collection. Anyone who doesn't meet any of these requirements can purchase an Annual Fee card.

Please visit our website at [www.metrolibrary.org](http://www.metrolibrary.org) for more information.
