Oklahoma City Museum of Art

Helpful Staff Members

At the Oklahoma City Museum of Art there are people there to help me. If I am lost, need help, or have a question I will ask a Helpful Staff Member.

Front Desk Attendants will help my adult and I get tickets in the lobby. The Front Desk Attendants will be wearing white shirts. They will also answer any questions I may have. If I borrow a Discovery Pack, I will give them back to the Front Desk Attendants before I leave.

<u>Gallery Attendants</u> will be in many of the galleries. They will be wearing blue jackets and white shirts. If I am lost or need help I will ask a Gallery Attendant.

Docents may lead my tour through the galleries. They do not wear a uniform, but they might wear a name tag. If I am lost, need help, or have a question about the art, I can ask a docent.
