

TEAS

Teas come from a single plant, the *Camellia Sinensis*. If left to wither (oxidize), the tea leaves turn black. If immediately steamed, they remain green. Oolong Teas range between the two. White Tea is the least processed and exclusively the top leaf and a bud. The Museum Cafe proudly serves Numi teas.

Numi is unique in its commitment to using Organic and Kosher whole-leaf teas, real fruits, and fresh spices.

AGED EARL GREY ITALIAN BERGAMOT BLACK TEA

FLOWERING TEAS

Flowering Tea is a new tradition that celebrates the tea leaf. Hand picked, premium organic white, tender tea buds, top two green tea leaves, and golden-tipped black tea are hand sewn with cotton thread into bundles or rosettes by artisans throughout China. When steeped in hot water, these rare Leaves of Art™ slowly blossom into breathtaking shapes. The tea liquor releases a myriad of flavors from sweet and subtle to rich and bold.

DRAGON LILY -

OSMANTHUS LILY WHITE TEA

Dragon Lily bursts open into an arrangement of superb white tea and stunning flowers. When steeped, sprinkles of osmanthus petals surface and an orange lily blossoms, a mesmerizing display. This translucent liquor imparts a velvety sweet apicot flavor.

EMERALD SUN - GREEN CHRYSANTHEMUM

This tea softly broadens into a radiant globe of green tea when bathed in hot water. A spring-white chrysanthemum resides in the heart of this premium green tea. Mellow and nutty, the scent delights the senses with its alluring sweet smoothness.

BLACK BEAUTY - BLACK TEA

Black Beauty's finest golden-tipped black tea leaves unravel, lifting up like the spires of a cathedral. The sensual amber-colored liquor, with an exotic rose scent, releases a superbly bold, deep flavor.

JADE FORTUNE - GREEN TEA

This premium tea unfolds into an array of wild petals. The gentle swaying leaves impart a subtle earthy flavor, pleasingly savory in taste.
