

**VISITING THE OKLAHOMA CITY MUSEUM  
OF ART WITH MY TOUR GROUP OR CLASS**

**OKC** OKLAHOMA CITY  
**MUSEUM**  
**MOA** OF ART  
DONALD W. REYNOLDS VISUAL ARTS CENTER

# WELCOME

I am very excited to visit the Oklahoma City Museum of Art with my group. At the Museum I will see many types of art: paintings, sculptures, and glass. I will explore and have fun with my class. I can ask my group leader how long we will be visiting the Museum.

# DOWNTOWN

The Oklahoma City Museum of Art is in downtown Oklahoma City. Because it is a busy area, there could be lots of traffic driving to the Museum.

# ENTRANCE

My group will be dropped off at the entrance to the Museum. I will wait for my group leader to take us into the Museum.

## LOBBY

The Museum lobby has high ceilings and lots of windows. This means it may be very bright. It may also be loud because the sounds may echo. I might hear music playing.

If it is too loud, I can bring headphones. Or, my adult can borrow headphones from the Front Desk Attendant at the Admissions Desk.

# MEETING A DOCENT

My group might meet with a docent before going into the galleries. This meeting will take place in the lobby or in the Museum Theater.

The docent, who will be my tour guide, will go over the rules and tell my group about the tour.

# ELEVATORS AND STAIRS

To get to the galleries we will take the stairs. If I need to use the elevator, I will tell my group leader or docent.

## RAILING

On the 2nd and 3rd floors, there are railings,  
and I can see the floor(s) below.

If this makes me uncomfortable,  
I can stand away from them.

# STAY TOGETHER

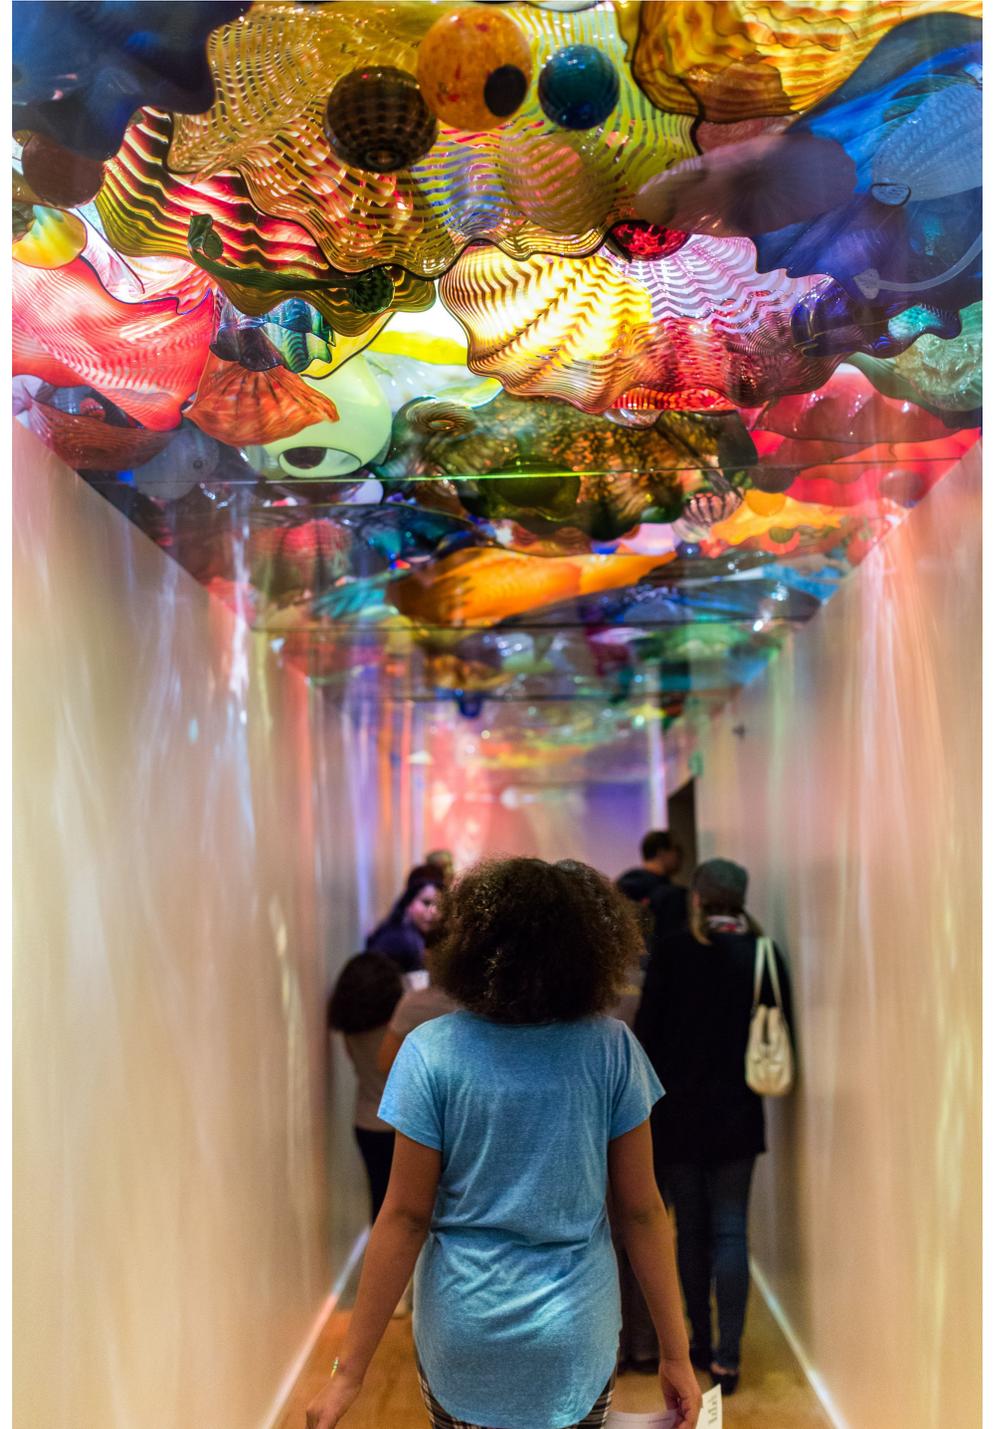

During the tour I will stay with my group. If I get lost I will ask a Gallery Attendant for help.

He or she will be wearing a blue jacket and white shirt. **This is very important.**

# WALK

While I am with my group, I will walk in the galleries. I will be walking a lot.

If I get tired I will ask my group leader if I can rest.

## **BLACK LINES**

In the galleries I will stand or sit behind the black line. This is to keep me and the art safe.

# LIGHTS

Some of the galleries have bright lights.

Other galleries are dark.

Some of the lights make a buzzing sound.

Some artwork is made of light and sounds.

## ASK QUESTIONS

I will have fun exploring and seeing art with my group.

If I have questions, I will ask them when it is my turn.

# DON'T TOUCH

The most important rule is that

**I DO NOT TOUCH** the art.

This keeps the art safe so that other people  
can enjoy it too.

I will also keep my hands to myself and not  
touch the walls, pedestals, or objects.

# LUNCH

My group might eat lunch at the Museum.

We could be in the basement, a classroom, or  
outside. I can't eat or drink in the galleries.

# EXIT

When my group leaves, we will probably exit the same door we entered.

The people at the Oklahoma City Museum of Art are happy you are here and

hope you come back to visit again!
